Subject: May 2003 Participant Statements

Date: March 11, 2003

The Federal Retirement Thrift Investment Board's record keeper, the National Finance Center (NFC), will issue Thrift Savings Plan (TSP) participant statements in late May. The participant statements will contain cumulative account information as of April 30, 2003, and detailed account activity for the period from November 1, 2002, through April 30, 2003.

Enclosures with participant statements. The newsletter TSP Highlights will be mailed with each participant statement. In addition, the leaflet "Understanding Your Thrift Savings Plan Participant Statement" will be mailed with the participant statements of new participants. Separate leaflets have been developed for FERS and CSRS participants.* The TSP Highlights and the leaflets are also available from the TSP Web site at www.tsp.gov.

Additional information about participant statements. Agency representatives should refer to TSP Bulletin 95-33, Thrift Savings Plan Participant Statements, dated November 1, 1995, for more information about participant statements, including copies of the printed statements. TSP Bulletin 95-33 also contains agency procedures for (1) correcting erroneous data shown on the statements, (2) distributing statements that are forwarded to the agency by NFC, and (3) requesting replacement statements.
